SACEVILLE, Oct. 19. The Europa, from Liverpool on the 8th inst., arrived at Halifax this morning, and her news reached here by horse express this evening. Her advices are three days later. The Zurich Conferences are still continued, and further progress in the settlement of the Italian questions was reported. The Great Eastern was expected to leave

Portland, for Holyhead, on the day the Europa sailed, (the 8th.) Italian political affairs are unchanged. Great agitation prevails at Napies, and umerous arrests had been made.

Later advices from India had been received, stating that the European troops who were recently discharged from further service, had consented to go to China.
